## A Little About Me

I am from Oak Hill, Ohio. I graduated High School in 2016 then attended the University of Rio Grande. I graduated from the University of Rio Grande with my Associates Degree in Early childhood Education in 2018.

I went into teaching because I love working with children and I love to help others succeed. This will be my second year teaching preschool for the Jackson Area YMCA. I am so excited to make this year even better than the last!
